The **LIBRARY** Apartments, Bishopston — offer the very best in city living.

REFERENCE

A mixture of one and two bedroom apartments, all are finished to a particularly high standard and feature modern, fully fitted kitchens with integrated appliances, crisp, white contemporary bathrooms with tiled surfaces. Some apartments have en-suites.

Located above the newly constructed Bishopston Library, a number of the apartments benefit from balconies and terraces — enjoy the sun from dawn 'till dusk!

GEOGRAPHY

Bishopston is an attractive and flourishing area of Bristol which has become a vibrant hub of independent shops, cafes, bars and clubs whilst displaying a good balance of residential property and amenities.

A popular choice with professionals as well as families, with its tree lined streets, green spaces, and a thriving local community — it is just a short distance to the city centre with regular and direct public transport, or via the A38 providing easy access to North Bristol and the surrounding motorway network. Redland and Montpelier railway stations are a short distance away.

The **LIBRARY** Apartments are designed and built to the highest standards, ensuring comfortable and peaceful living. Ideal for first time buyers or investors, they offer great potential and easy access to the lifestyle that is making Bristol one of the top places in the UK to live and work, with its unique blend of history, culture and modern living.
